Attn: Bernard Kerkuliet

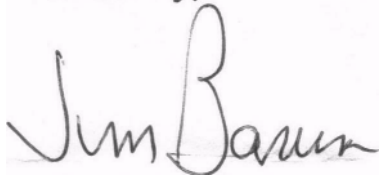

Dear Bernard:

We want to express our thanks and appreciation for the Water Fall feature you installed at our home in Twin Peaks.

It is just beautiful and looks just like a mountain water fall and stream. We could not envision a more natural water feature.

The job was completed ahead of schedule by a very professional and courteous crew. We are very pleased and can't wait to be able to put the plants in around it. Please feel free to have customers stop by.

Sincerely,
