Dear Bernie,

I wanted to write and tell you how happy I am with the beautiful waterfall and stream you and your guys made for me. I've had it for a week now and I still can hardly talk about it without starting to cry; I love it so much. It is surely worth every penny.

Your crew was so wonderful. I watched them carefully pick and choose every rock and consider exactly where it should go. The result is a testament to the loving care with which it was built. They were a pleasant group of guys and you're very lucky to have each of them.

Thank you again, and I wish you every success in your business for the wonderful work you do.

Sincerely,

Dr. Sonia Riha
